

# WHAT CAN YOU DO?

Be curious and ask questions.

Don't be afraid to try new things.

Listen to your friends and share your story.

Play, socialise and enjoy school events.

HELLO!

# INTREF PROJECT

Welcome to our  
school!

## WHO ARE WE?

We are teachers, students, and friends who want you to feel comfortable, safe and adapted in our school. The INTREF project will help you learn the language, make new friends and integrate into school life. You are welcome here!

### 1 Language Support

If you don't speak the language yet, we'll practise together and help you master it as soon as possible.

### 2 Limitless Friends

At school, you'll meet friends who will help you learn and show you around.

### 3 Joint Activities

You'll take part in exciting activities, sports games, artistic projects, and other events where you can showcase your talents.

### 4 Learning Support

If you find a subject difficult, you can get extra help from a teacher or a friend.

## HOW CAN I HELP YOU?
